the ATCB is going GREEN
Dear Credentialed Art Therapist,

During the upcoming 2019 annual renewal and recertification season and forward the Art Therapy Credentials Board (ATCB) is reducing paper use by going paperless. The ATCB will not send renewal notices or recertification applications via mail. Wallet Cards will be uploaded to your MyATCB account.

In May, we will email you that your annual renewal is due June 30, so please update your email and contact information via MyATCB, www.atcb.org/signin.

You can renew your credential three ways:
1. Log into MyATCB, complete your renewal application, and pay your maintenance fee online;
2. Log into MyATCB, print and complete your renewal notice, and return it to the ATCB Office along with your maintenance fee; or
3. Contact the ATCB Office to request your renewal notice be sent via postal mail or email.

If you are a board-certified art therapist (ATR-BC) and your five-year recertification is due this year, we will email you in late March.

We hope you join us in reducing waste by renewing and recertifying online!

Please contact the National Office if you have any questions. We can be reached at atcbinfo@atcb.org, +1 877.213.2822, or 7 Terrace Way, Greensboro, NC 27403. Thank you!
